1.1. Deliverables Consisting of Programs and Products

The following is added to Section 1 “Deliverables Consisting of Programs and Products” of the Agreement: Risk of loss and title to any tangible property will pass to INTESA or INTESA’s Customer at the delivery point and/or at INTESA or INTESA’s Customer service acceptance, as specified in the relevant Agreement and/or PO.

1.2. Issuance of a Work Authorization and Pricing

The following provision is added to Section 2 “Issuance of a Work Authorization and Pricing” of the Agreement: Supplier assumes any responsibility and/or expenses connected with the Deliverables and Services they provide to INTESA in other Sections of the Agreement.

1.3. Taxes

The following provision replaces the Section 5 “Taxes” of the Agreement:

Supplier’s invoices shall state all applicable Taxes, if any, by tax jurisdiction and with a proper breakdown between taxable and non-taxable Deliverables and Services. Supplier assumes responsibility to timely remit all Tax payments to the appropriate governmental authority in each respective jurisdiction.

Supplier and INTESA agree to cooperate to minimize, wherever possible and appropriate, any applicable Taxes and provide reasonable notice and cooperation in connection with any audit. Supplier shall also bear sole responsibility for all taxes, assessments, or other levies on its own income, leased or purchased property, equipment or software.

INTESA shall withhold and pay any other additional Tax, not invoiced by Supplier to INTESA, but legally due by Supplier. Supplier will not look for and will not expect fine, sanction and/or interest payments on these additional tax amounts. This disposal is not applicable when the Tax is due by INTESA as for jurisdiction rules or when INTESA provokes mound with other Taxes.

If INTESA provides a direct pay certificate, certification of an exemption from Tax or reduced rate of Tax imposed by an applicable taxing authority, then Supplier agrees not to invoice or pay any such Tax unless and until the applicable taxing authority assesses such Tax, at which time Supplier shall invoice and INTESA agrees to pay any such Tax that is legally owed.

INTESA shall withhold taxes as required under applicable law on payments made to Supplier hereunder and shall be required to remit to Supplier only the net proceeds thereof. INTESA agrees to remit in a timely manner all taxes withheld to the appropriate government authority in each respective jurisdiction.

Upon INTESA request, Supplier will deliver the appropriate documentation as required by the corresponding jurisdictional tax laws, within 15 business days from such request.

Supplier will reimburse INTESA for any claims by any jurisdiction relating to Taxes paid by INTESA to Supplier; and for any penalties, fines, additions to Tax or interest thereon imposed as a result of Supplier’s failure to timely remit the Tax payment to the appropriate governmental authority in each respective jurisdiction. Supplier shall also reimburse INTESA for any claims made by a taxing jurisdiction for penalties, fines, additions to Tax and the amount of interest thereon imposed with respect to Supplier's failure to invoice INTESA for the correct amount of Tax.

1.4. Limitation of Liability

Section 7 “Liability” of the Agreement on limitation of liability will apply within the limits of art. 1229 c.c.

1.5. Term and Termination

The following provision is added to the first paragraph of Section 9 “Term and Termination” of the Agreement: Should Supplier fail to comply with any obligations whatsoever undertaken, INTESA may request such compliance in writing. If Supplier fails to remedy such non-compliance within the period indicated by the request, the Agreement and/or PO shall automatically terminate. In this event, INTESA is under no obligation to make any payment for the services performed. INTESA likewise reserves the right to return to Supplier all the components delivered under the PO and to obtain reimbursement of the amount paid to Supplier under the PO, or to withhold said components with payment to Supplier of a sum to be agreed in line with the Price indicated in the SRA and PO.

In addition to the liquidated damages provided for in the PO, INTESA at all events reserves the right to request compensation for any damage it may have suffered.

The following provision is added as the last sentence of the third paragraph of the Section 9 “Term and Termination” of the Agreement:

In derogation of art. 1671 of the Civil Code, upon termination without cause, INTESA will compensate Supplier only for the actual and reasonable expenses incurred by Supplier for work in process up to and including the date of termination.

1.6. Governing Law

The following provision is added to Section 12 “Governing Law” of the Agreement:

This Agreement is subject to the laws of Italy. All disputes arising out of or in connection with the interpretation or performance of the Agreement shall be settled exclusively by Courts of Milan and the parties waive the right to resort to any other.

1.7. Supplier and Supplier Personnel

The following provision is added as subsection 14.1 “Personnel” to Section 14 “Supplier and Supplier Personnel” of the Agreement:

Supplier cannot subcontract to third parties (both individuals or companies) all or part of the Services if not approved in advance by INTESA. Supplier will make available to INTESA all necessary information, including contract type and resources, related to the 3rd party which Supplier intends to use as a subcontractor. Notwithstanding this Section the usage of subcontractors will not relieve Supplier from its responsibility on the performance of subcontractors. Supplier will remain the sole responsible vs. INTESA for all obligations of this Agreement. INTESA reserves the right, at its own discretion, to refuse the usage of subcontractors or any other 3rd party.

Personnel assigned to the Services, with the exception of possible consultants, must be regularly hired by Supplier, under all local regulations applicable to the Supplier.

The following provision, if applicable, is added as subsection 14.2 “Posted Workers” to Section 14 “Supplier and Supplier Personnel” of the Agreement:

Where Supplier intends to use Supplier Personnel and/or subcontractors who are deemed posted workers (as defined in EC Posted Worker Directive 96/71/EC and/or any related or derived EC or national legislation) or temporary agency workers (as defined in EC Directive 08/104/EC, and/or any related or derived EC or national legislation) (together hereinafter “Posted Workers”) for the provision of Services to INTESA and/or to INTESA’s Customer(s), Supplier will, prior to each Posted Worker commencing work in the country they are posted to, inform INTESA and provide to INTESA all statutorily required information, as well as evidence of compliance with the above-mentioned legislation. Supplier warrants that the information provided is at all times correct, accurate, and up to date, and Supplier agrees to provide updated information to the INTESA immediately at any time upon INTESA’s request. Should the Supplier’s, or the Supplier’s subcontractor’s, breach of this

provision cause the INTESA or its personnel to be held liable or to be fined, Supplier shall indemnify the INTESA and its personnel against all claims and/or fines that arise or are alleged to have arisen as a result of such breach. Notwithstanding anything to the contrary in the Agreement, INTESA may terminate this Agreement for Cause in case of a breach of this provision or when INTESA reasonably believes such a breach has occurred or is likely to occur. In addition to this, the INTESA may request the immediate removal of Posted Workers from assignment under the Agreement.

1.8. *Amendment*

The parties agree that any possible future amendment or supplement to the Agreement should be intended as integral part of the Agreement and that any reference to the Agreement mentioned in the this document, where applicable, are inclusive of such changes and/or integration.
