(**INTESA**) may order Deliverables and/or Services available from [Name of Supplier entity] (**Supplier**) for itself, Intesa Affiliates or on behalf of parties procuring products, solutions, or services from Intesa (**Customers**). Details regarding the Deliverables and Services are provided in Supplier Offer Form (**MPO**, or **Statement of Work** or **SOW**) and/or Work Authorization (**WA**, as better defined below).

Affiliates are entities that control, are controlled by, or are under common control with, a party to the Agreement. **Personnel** are individuals who are (i) employees of a party, (ii) agents appointed by a party, (iii) independent contractors engaged by a party, or (iv) provided to a party by a Subcontractor. A **Subcontractor** is an individual (independent contractor), a corporation, a partnership, a limited liability company or other entity to which (or to whom) work to be performed under the Agreement has been subcontracted by Supplier to the extent permitted under the Agreement.

This Agreement, applicable MPOs, together with any Attachments and the quantity, payment and delivery terms of the Work Authorization along with the applicable PA that incorporates the terms of the SRA, are the complete agreement (**Agreement**) regarding transactions hereunder. The effective date of this Agreement will be the date of the last party's signature.

1. *Deliverables and Services*

1.1 Deliverables

Deliverables include Programs, Products, Developed Works, or other items that Supplier prepares for or provides to INTESA, as described in an Attachment or MPO. A **Program** is a software program and related material available for license from Supplier. Programs are copyrighted and licensed (not sold). A **Product** is a tangible item (other than a Program) that Supplier prepares for or provides to INTESA. A **Developed Work** is a work of authorship that Supplier develops for INTESA under the Agreement. Developed Works exclude Preexisting Works and Tools. Preexisting Works include works of authorship delivered to INTESA, but not developed by Supplier specifically for INTESA under the MPO, and any modifications or enhancements of such works made under the MPO. **Tools** means software (and its Externals) provided by Supplier, other than a Program, required for the development, maintenance, or implementation of a software Deliverable. Externals means any pictorial, graphic, audiovisual works, reports or data generated by execution of code and any programming interfaces, languages or protocols implemented in the code to enable interaction with other computer programs or end users. Deliverables will be delivered as specified in an MPO and/or a WA.

1.2 Services

Services include Cloud Services and other Services. A Cloud Service is an offering hosted or managed by Supplier and made available via a network. Other Services, in addition to Cloud Services, may include consulting, installation, customization and configuration, maintenance, staff augmentation, and business, technical or other services and combinations thereof. Applicable Service details are described in an MPO, WA, or Attachment.

Deliverables and/or Services will be delivered as specified in an MPO and/or WA. If Supplier cannot comply with a delivery commitment, Supplier will promptly notify INTESA and INTESA may cancel without charge Deliverables or Services not yet delivered and exercise any and all other remedies available to it.

Except as otherwise specified in a MPO or Attachment, Supplier will use the information, materials, assets, data (including any data that can identify or locate an individual (**Personal Data**)) and documents provided to Supplier or uploaded to or stored in a Cloud Service by INTESA or its users (collectively, **INTESA Materials**) only as needed to perform under the Agreement. Supplier will not disclose INTESA Materials to any third party and will return or destroy INTESA Materials (and certify to INTESA regarding the same) upon the earlier of the expiration of the relevant MPO or WA or INTESA's request.

2. Issuance of a Work Authorization and Pricing

Unless otherwise set forth in an MPO, Supplier will begin work only after receiving a Work Authorization (WA) from INTESA. A WA is INTESA's authorization in either electronic or tangible form for Supplier to conduct transactions under this SRA in accordance with the applicable MPO (i.e., a purchase order (PO), bill of lading, or another INTESA designated document). An MPO is a WA only if designated as such in writing by INTESA. The agreed upon pricing and currency for Deliverables and Services, exclusive of Taxes but including all applicable fees (Prices), shall be set forth in the MPO and/or WA. The Prices for Deliverables and Services specified in an MPO and/or WA plus applicable Taxes will be the only amount due to Supplier from INTESA. Payment of invoices does not constitute acceptance of Deliverables or Services. Deliverables and Services are subject to inspection, test, acceptance or rejection in accordance with the relevant MPO and/or WA. Subject to applicable law, Supplier waives claims by failing to submit timely invoices for payment, or take action for any other claim, within twelve (12) months from the day of INTESA's receipt of Services or Deliverables or the event giving rise to the cause of action.

3. Warranties

3.1 Supplier warrants on an ongoing basis that: (i) its performance of the Agreement will comply with all applicable laws and the terms of any contracts applicable to it (including licensing agreements); (ii) Deliverables and Services do not infringe any privacy, intellectual property or other right of a third party; (iii) Deliverables are safe for use consistent with, and will comply with, the warranties and requirements in the Agreement; (iv) it has disclosed to INTESA in writing the existence of third party or open source code in, or provided with, Deliverables; (v) Deliverables and Services do not contain harmful code; (vi) Programs and Services conform to their official published specifications and Supplier will not electronically or otherwise disable, remove or otherwise prevent the use of a Program or Service; (vii) it, and its Personnel, will use all INTESA Materials and Developed Works under the Agreement solely in the performance of the Agreement; (viii) it has implemented and will maintain technical and organizational security measures to protect INTESA Materials against loss, alteration, unauthorized disclosure, access or other unlawful forms of processing including, without limitation, not loading any INTESA Materials provided to Supplier on any laptop computers or portable storage media unless such materials have (or the device itself has) been encrypted; (ix) it will report to INTESA any actual or suspected breaches of security of INTESA Materials immediately after discovery thereof if the INTESA Materials were, or could be, accessed, used or acquired by an unauthorized person or entity or otherwise compromised; (x) Services are provided using reasonable care and skill in accordance with the Agreement; (xi) all authors have agreed not to assert their moral rights (personal rights associated with authorship of a work under applicable law) in the Deliverables, to the extent permitted by law; (xii) it will complete all applicable INTESA integrity questionnaires, integrity training or related Supplier information request requirements within thirty (30) days of receipt of request; and (xiii) it will comply with import, export control and economic sanction laws and regulations, including those of the United States, that prohibit or restrict the export, re-export, or transfer of products, technology, services or data, directly or indirectly, to or for certain countries, end uses or end users. Supplier will not export, directly or indirectly, any technology, software or commodities provided by INTESA under the Agreement to any prohibited destination or for any prohibited end use. Supplier will provide INTESA with information about Deliverables and Services necessary for export compliance. Unless agreed to in writing by INTESA and authorized by applicable government license or regulation, Supplier will not provide to INTESA any Personnel, articles, materials, services or any components thereof that Supplier knows or has reason to believe originated in, or was sourced from, a country subject to a comprehensive U.S. embargo as described in applicable export, embargo, and economic sanctions regulations (including, without limitation Cuba, Russian controlled regions of Ukraine, Iran, North Korea or Syria).

3.2 THE WARRANTIES IN THE AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

3.3 Subject to the Indemnity section, if Deliverables or Services do not comply with the warranties in the Agreement or the acceptance or completion criteria, INTESA may reject the Deliverables or Services and Supplier will repair, replace or re-perform the Deliverables or Services without charge and in a timely manner. If Supplier cannot do so within ten (10) business days or any mutually agreed upon (in writing) time period, Supplier will refund all fees paid by INTESA for such Deliverables and/or Services.

4. Ethical Dealings

Supplier will be familiar and will strictly comply with all laws and regulations on bribery, corruption, and prohibited business practices. Supplier and its Affiliates have not and will not, for the purpose of influencing or inducing anyone to influence decisions in favor of INTESA or its Affiliates, offer, promise or make or agree to make, directly or indirectly, (a) any political contributions of any kind or any payment to or for the benefit of any public official, whether elected or appointed, (b) any payments for gifts, meals, travel or other value for a government employee or his/her family members or (c) any payments or gifts (of money or anything of value) to anyone. INTESA shall not reimburse Supplier for any such political contributions, payments or gifts.

Supplier's invoices shall state all applicable Taxes, if any, by tax jurisdiction and with a proper breakdown between taxable and non-taxable Services and Deliverables. Supplier shall timely issue a tax invoice to INTESA that complies with applicable invoicing and tax laws. Supplier shall also bear sole responsibility for all taxes, assessments, or other levies on its own income, leased or purchased property, equipment or software and employment taxes and corporate costs related to Supplier's personnel regardless of the jurisdiction in which it is due. If INTESA provides a certification of exemption from Tax, then Supplier agrees not to invoice or pay any such Tax. INTESA shall withhold Taxes as required under applicable law on payments made to Supplier hereunder and shall be required to remit to Supplier only the net proceeds thereof. INTESA agrees to remit in a timely manner all Taxes withheld to the appropriate government authority in each respective jurisdiction. Upon Supplier request, INTESA will deliver the appropriate documentation as required by the corresponding jurisdictional tax laws, within a reasonable time from such request. Each party agrees to cooperate to pay the correct applicable Taxes, including reasonable notice and cooperation in connection with any audit. **Taxes** means any and all applicable taxes, charges, fees, levies or other assessments, including sales, use, value added, goods and services and other similar taxes, imposed or collected by any governmental entity worldwide or any political subdivision thereof arising from the performance of Services or provision of Deliverables pursuant to the Agreement, exclusive, however, of any taxes imposed upon the net income or capital of Supplier, any taxes in lieu of such net income taxes and any other taxes which are to be borne by Supplier under law.

6. Intellectual Property

Supplier owns all rights, title, and interest in and to any Programs, Preexisting Works, and Tools. INTESA owns all rights, title, and interest in and to INTESA Material. INTESA will own the copyright in Developed Works and all such works are works made for hire. If any Developed Works are not considered works made for hire owned by operation of law, Supplier hereby assigns the ownership of copyrights in such works to INTESA. 7.3 Sections 7.1 and 7.2 above shall not apply to (i) damages arising out of Supplier's obligations in Section 8 (Indemnity); (ii) damages arising out of Supplier's breach of its data privacy and security obligations, and Supplier's obligations to remediate in the event of a Supplier security breach; (iii) damages arising out of Supplier's gross negligence, willful misconduct, fraud, or abandonment; (iv) damages arising out of bodily injury (including death), to the extent a party is legally liable; (v) damage to real property and tangible personal property, to the extent a party is legally liable; and (vi) damages that cannot be limited by applicable law.

8.2 Supplier will defend, hold harmless and indemnify, including legal fees, INTESA from third party claims that Supplier's Deliverables or Services infringe the intellectual property rights of a third party. In addition, Supplier, at its own expense, will: (i) obtain for INTESA the right to continue to use, sell and license the Deliverables or Services; (ii) modify the Deliverables or Services so they are non-infringing; or (iii) replace the Deliverables or Services with non-infringing ones that comply with the Agreement. Alternatively, at INTESA's request, Supplier will accept the cancellation of infringing Deliverables or Services without any cancellation liability and Supplier shall refund any amounts previously paid by INTESA. INTESA will give Supplier prompt notice of third party claims against INTESA, and cooperate in the investigation, settlement and defense of such claims.

9. Term and Termination

9.1 This SRA will remain in effect until terminated. Either party may terminate this SRA for cause if the other (Defaulting Party) is in material breach of the Agreement or, to the extent permitted by law, if the Defaulting Party becomes insolvent or files or has filed against it a petition in bankruptcy, provided the one who is not in breach (Non-Defaulting Party) gives written notice (with the termination date) and, when in INTESA's discretion a material breach can be cured, a reasonable opportunity to cure.

9.2 Supplier's breach (or INTESA's reasonable belief based on credible information that Supplier has breached or is likely to breach) of Section 4 (Ethical Dealings) provision or clause (xii) in Section 3 (Warranties) of this SRA constitutes a material breach of the Agreement and, in such event, INTESA may terminate this SRA and any MPO or WA immediately on written notice to Supplier, without any liability to INTESA, provided Supplier has a reasonable opportunity to cure after written notice when in INTESA's discretion such material breach can be cured. When there are no WAs in place between the parties, INTESA may terminate this SRA without cause by providing written notice to Supplier.

9.3 INTESA may, upon written notice to Supplier, terminate a MPO or WA i) for cause upon material breach by Supplier or ii) without cause, in each case with termination effective on the date set forth in the notice. Upon termination, in accordance with INTESA's written direction, Supplier will cease work under the relevant MPO or WA and deliver to INTESA, among other things, all Deliverables completed as of the date of termination and all works in progress. In the event Buyer terminates without cause, INTESA will compensate Supplier for the actual and reasonable expenses incurred by Supplier for work in process up to and including the date of termination, provided such expenses do not exceed the Prices.
